

CUSTOM CHANDELIER

Thank you for your interest in our custom glass chandeliers!

We work in custom colors and will send a glass color sample for approval when you send fabric or paint samples.

Custom metal is hand forged in the studio to fit the glass individually.

Please provide the following:

- Image of space
- Type of ceiling – sloped or flat and structure of ceiling
- Measurement from top of ceiling to bottom of glass
- Fabric/paint samples for custom color samples
- A design fee may be applied for complex designs such as extra metal ornamentation
- ½ deposit to begin the project - the remainder due at time of shipment

We will supply:

- A glass color sample for \$75.00, refundable upon return
- Images of progress, if requested
- Custom metal work done in our studio to fit glass individually
- Metal and glass numbered for easy installation

Installation: Client will need to work with a professional electrician and/or contractor

- Our chandeliers are designed to be used with a 4" by 4" standard electrical box
- Weight of Twig Chandelier will run 10 to 25 pounds based on size

Added shipping is UPS ground or best way
